Important Information for BAE Employees

Welcome to our practice. It is our pleasure to be of dental service to you prior to your deployment. The following information will provide you with some financial and benefits guidelines that you should find helpful. The items we are to check for and the guidelines they have given us are as follows:

- BAE will pay for your Panoramic X-Ray and Exam, and Full Mouth X-ray
- Proper diagnosis consists of x-rays to diagnose infection, gum and bone disease, cavities, and possible TMJ problems.
- Our directive is to determine what dental issues you have that would present a problem within a 1 year period of time. This is not to say that there is no other disease present.
- It is YOUR responsibility to take care of these limited needs prior to your deployment.
- You will need to pay for this dentistry directly to us.
- If you have any other insurance, we will fill out and mail the forms for you, and the reimbursement will be mailed to you directly.
- If you need payments plans, we are happy to discuss them with you.
- On the day of your visit, plan on your cleaning and fluoride treatment. That fee is \$176. If you have calculus and gingivitis, the additional fee is \$235. We are prepared to take care of these issues on your exam day to expedite your treatment. If you have large cavities, or problematic wisdom teeth, we will do our best to take care of these issues that day as well. These services are not covered by BAE. Please be prepared to pay a minimum amount of \$176 to \$411 or more depending on your needs.
- Any other fees will be discussed at the time of the appointment, and appropriate arrangements will be made to assist you in this matter.
- Please advise us on how we may be of better service to you.
- Go to our website PrecisionComfortDentistry.com and go to the BAE Info tab on the home page. You can find the Deployment Form there for your inspection, along with a copy of this informational sheet.
- Next, go to FORMS AND DIRECTIONS. Please download and fill out the New Patient Forms prior to your arrival to our office. We will pay for your parking if you do not simply walk over to our office.
- You can find us on the lobby level in Suite 101
